CHILDREN'S DAY

The first Sunday of May brings **15,000** people into Portsmouth. With the support of local merchants, downtown Portsmouth becomes headquarters for children of all ages.

SUMMER IN THE STREET

For six Saturday evenings in the summer, the series enhances the downtown experience to the delight of locals and visitors alike. The setting: Pleasant Street at Market Square. People making their way 'round town for dining and shopping come upon Summer in the Street and enjoy local performances featuring everything from dance groups and puppeteers to theater troupes and musicians.

WE ARE PRO PORTSMOUTH

Pro Portsmouth has supported the local arts, history, culture, and community for 35 years. Our event attendees stay at area hotels, dine at neighborhood restaurants, and shop downtown, generating **\$3.5 million*** for our local economy. That's proof we don't just talk about supporting the community; we really make it happen.

WHY PRO PORTSMOUTH

With few exceptions, our programming is free! From the ice sculptures and fireworks during First Night® Portsmouth to activities offered during Children's Day, the downtown festival on Market Square Day, and the musical performances enjoyed by all during Summer in the Street, we charge no admission and require no membership. This presents us with a challenge: Without the support of local businesses and community members like you, the events don't take place.
